

African American Women Learning Trunk Activity

Augmented Gallery Walk Technology Instructions

Application needed:

1. Have your students scan the QR code of your choice with a mobile device.

iTunes Store: Aurasma QR code

Google Play: Aurasma QR code

2. Once the Application is downloaded onto the student's mobile device:

Have them **LOG IN** with the account information below:

Username: AfricanAmericanWomen

Password: BVAAM

3. Once your students are logged in with account information, they can now scan the images in the gallery walk!

4. The Gallery walk requires specific printed out images, find these in the link below:
