

## **RESOURCE SHEET - AFRICAN-AMERICAN ALL-STARS**

### **Jackie Robinson**

- <https://www.jackierobinson.com/>
  - This website is the official site dedicated to Jackie Robinson. The site talks about both his achievements in baseball and his accomplishments once he retired from his baseball career. Not only does the site talk about the items mentioned above, but it also has a photo gallery, a stats tab, a news tab, and information on how to be a part of the licensing team and become a licensing agent.
- <http://www.pbs.org/kenburns/baseball/teachers/lesson5.html>
  - This website is an extension from PBS as a resource for teachers. The activity has a focus on mathematics, and is Jackie Robinson themed. The site explains the activity thoroughly, and then proceeds to provide step-by-step instruction on how to carry the lesson and how to implement it into the classroom.
- <http://www.scholastic.com/browse/article.jsp?id=3751764>
  - This website is the official site for Scholastic and provides various resources and activities for teachers to use or reference. This link mentions an article about how a group of students took a field trip to Citi Field in New York on Jackie Robinson Day to watch a baseball game and to learn all about Jackie. This can be useful to plan out a similar field trip/activity for students of any grade level.

### **Michaela DePrince**

- <http://www.michaeladeprince.com/>
  - This website is the official site of Michaela DePrince. The site talks about Michaela's talent in ballet and upcoming news over her ballet career. Not only does the site talk about the items mentioned above, but it also has a photo gallery, a related books tab, and information on how to get in contact with Michaela DePrince's agent for professional inquires.
- <https://www.thecurriculumcorner.com/thecurriculumcorner123/2017/10/book-study-ballerina-dreams/>
  - This website includes a book study activity over Michaela DePrince. It recommends the book titled *Ballerina Dreams: From Orphan to Dancer* by Michaela & Elaine DePrince. The site also includes activities that can be used to break down the events in the story, and also to use for reading comprehension purposes as well.
- <https://www.today.com/series/love-your-body/war-orphan-ballerina-michaela-deprince-shares-her-incredible-story-t115253>
  - This website is linked to an article written about Michaela DePrince's journey to success and stardom. The article also contains a few videos over Michaela. The article and videos can be used in activities that focus on her life and how she has made an impact. It is also very relevant to more recent events because she is still partaking in ballet.

### **Jesse Owens**

- <https://www.biography.com/people/jesse-owens-9431142>
  - This website includes a biography on Jesse Owens that is very informative and gives the reader a well-rounded picture of his life. Along with the biography, there is short video summarizing the information on the page. There are some quotes and facts about him as well. In conclusion this website is very useful in the classroom.
- <https://www.olympic.org/jesse-owens>
  - Within this website, you will be given an overview on the sporting legend, Jesse Owens, and his achievements. There are many news articles that tracked his life as an olympian. Along with the news articles there are videos and a photo gallery of his olympic career.
